Leadership from State Leadership Chairman Carolyn Turbiville

Leadership Quote. If your actions inspire others to dream more, learn more, do more and become more, you are a **leader**. If your actions inspire others to dream more, learn more, do more and become more, you are a **leader**. A **leader** is one who knows the way, goes the way, and shows the way.

This is for Presidents, but also for committee chairs.

I decided to change calling the bathroom the John and renamed it the Jim. I feel so much better saying I went to the Jim this morning
