News Letter

Hello! Happy Valentine's Day (a week early). Once again we have much to do this month.

Feb. 6: Rue Marie Hosted Garden Section and members brought bud vases and created their own Valentine Flower Arrangements.

Feb. 13: Literature. Gail Aldred and Betty Lou Auld are hostesses.

Feb. 15: Genealogy. This is a no host meeting at the downtown library at 10:30. Please come in the front door.

Feb. 20: General Meeting. Pot Luck at **WHITE MOUNTAIN Library**. Bring whatever you signed up to bring or your favorite pot luck item.

Feb. 27: Busy Hands. Charlotte Stewart is hostess. Mary Huff will demonstrate how to do dish cloths and also again help with the rag rug projects.

Other items to remember:

Don't forget to keep track of your volunteer hours and costs. These hours form the committee reports.

The committee to work on the "runway project" for state convention is Rue Marie, Leslie Jo and Shirley. Please donate some of your reusable cloth bags for this project and any ideas for a lovely outfit that can be made from these bags.

We have a nominating committee. Mary Huff was appointed chairperson. Per the bylaws, the other members are the chairs of the 4 sections. They are Rue Marie, Leslie Jo, Jeanne Weidner and Beverly Blackwell. Please consider holding an office and contact one of the members if you would like to be considered.

Our very successful fund raiser is over and the books are closed. We will soon need some ideas as to where the club would like to make donations. There are many non-profits in our area that could use our funds.

It is again time to raise a little bit of money selling Herbergers Community Days Booklets. The books are \$5.00 each and I hope everyone has bought one and could sell at least 1 other. We keep all the money. The club will be selling books on Friday, March 1 from noon till 2 pm. Any Volunteers?

State Convention for 2018 will be in Cheyenne April 27-28.

International Convention will be June 22-26 in St Louis. MO.

Western States Region meeting will be in Las Vegas, NV Sept. 14-16. I have MY room already.

Don't forget the items we collect for other organizations.

- Pop can tabs

- Box tops for education

- Card fronts with nothing on the back

- Unused envelopes

I hope you occasionally check out the websites of local, state and international. Our site is www.gfwcrocksprings.org. The State site is

www.gfwcwyoming.org. The International website is available on the state site.

I will be sending out a piece out of the International Newsletter on Human Trafficking separately.

Yours in Federation.
