**January Newsletter**

We all made it through the holidays. I guess I'm glad it's over. It's a new year and now it's time for reports. Here is a message from our President.

Reporting time is here. Please turn in hours you spent doing volunteer work for the club and the amount your projects cost. For example if you did baking for holiday house or made a blanket for Veterans how much time did you spend and what was the cost. You may turn these in to me or chairperson for that area. I need this information by our general meeting but sooner is better. I will be taking reports to the state board meeting on January 20th. Thanks to everyone for their help. We do so much here and this is our chance to let people know. Shirley also needs the number of books you have read in 2017 for her reporting. Thanks to everyone!

Marcia

Now, for something more exciting. We had a **Record Breaking** Holiday House We had a net earning of about \$5,000.00 Pat each other on the back. Special Thanks to Gail Aldred who was the chairperson this year; also Marcia Volner, our president, who worked very hard during Holiday House to use the Social Media skills she has to keep advertising.

We will be in need of volunteers to sell books during those days.

We continue to collect the small items:

Pop tabs from aluminum cans

Leslie collects aluminum cans

Card fronts without writing on the back

Unused envelopes

Box tops for education

These are little things that we can do without spending any money.

I hope I haven't overloaded your brains with info. We have a lot to do in the near future. Please participate in all the activities that you are able to attend.

Welcome to all our new members and women that wanted to receive our newsletter.

This is a reminder from Leslie Jo, our State President.
